PROPOSAL INTRODUCTION

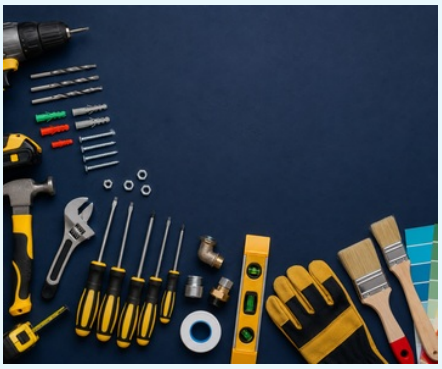

Cover Letter & Contents

Dear J.M Sanfar,

Thank you for considering this proposal for the visual identity of **New Central Hardware, Vavuniya**. The goal is to create a strong, memorable and practical brand that looks trustworthy on the shopfront, visiting cards, invoices and digital promotions.

This proposal defines the recommended scope, timeline, design process and estimated investment. The work will combine a bold NCH symbol with a clear navy, yellow and turquoise system that suits the hardware and building-materials market.

Once approved, the project can begin with a short discovery meeting and collection of the final business details.

SECTIONS 1-2

Executive Summary & Assessment

A brand built for trust and visibility.

A clear identity will help customers recognise the shop quickly and remember it for future hardware needs.

OPPORTUNITY

Build one consistent identity across the shop sign, business stationery and digital promotions.

CHALLENGE

Hardware stores often look visually similar. NCH needs a distinctive symbol, strong contrast and simple messaging.

RECOMMENDATION

Use bold navy and yellow, supported by turquoise accents, clean typography and practical product photography.

Brand pillars

DEPENDABLE

Clear, consistent and trustworthy.

PRACTICAL

Easy to read in print and signage.

LOCAL

Relevant to customers in Vavuniya.

MODERN

Confident across digital channels.
